## OKLAHOMANS LYNCH NEGRO

MOB AT WILBURTON TAKE BAD  
NEGRO FROM JAIL AND HANG  
HIM TO PHONE POLE.

### BLACK SHOT AN OFFICER

Negro, Who Was Known as "Alaba-  
ma Red" Killed Deputy Constable  
Albert Turner, Who Attempted to  
Arrest Him Here Thursday.

Wilburton, Okla., June 26.—A mob  
of fifty masked men took Silver-  
Stennien a negro known as "Alaba-  
ma Red," from the county jail here  
early today and lynched him.

The negro on Thursday had shot  
and killed Albert Taylor, a deputy  
constable, who had attempted to ar-  
rest him.

The mob was orderly and not a  
shot was fired. The sheriff was out  
of town and the night watchman was  
temporarily absent from the jail. The  
members of the mob cut the tele-  
phone and electric light wires to pre-  
vent interference. They then broke  
open the jail door without opposition,  
secured the negro and hanged him  
to a telephone pole in front of the  
jail building, then quietly dispersed.

A coroner's jury today decided that  
Stennien came to his death at the  
hands of persons unknown.

### OKLAHOMANS DISAGREE

OWEN FAVORED TAX ON FOR-  
EIGN CRUDE OIL—GORE FOR  
DUTY OFF—FREE OIL THE  
WINNER.

Washington, D. C., June 26.—The  
Penrose amendment, levying a tax  
of one-half cent per gallon on for-  
eign crude oil, which was lost by a  
vote of 40 to 34 in the senate, was  
supported by Senator Owen of Okla-  
homa and opposed by Senator Gore.  
Senator Owen declared the people  
of Oklahoma wanted the duty and

### WEATHER FORECAST.

—The weather of forecast for  
Oklahoma for Sunday is par-  
tly cloudy to cloudy.

that it was better for the consumer  
to have competition.

Senator Gore declared he could  
not consistently vote for the protec-  
tion of Oklahoma, without doing so  
in all other states. He stated that  
he regarded the Mexican oil fields as  
a Mexican myth, as the Standard was  
forced to transport American oils to  
their refinery at Tampico.

Sensors Owen and McNary were  
the only democrats who supported  
the amendment. Nineteen republic-  
ans voted with the democrats against  
the duty on oil.

The Payne bill also placed oil on  
the free list.

## OFFICER HUNG BY MOB

Late last night an unconfirmed ru-  
mor reached the Ardmoreite office  
that during a raid on joints at Wau-  
rika, an officer was taken by a mob  
and hanged. All wires into Waurika  
were down (probably cut) and con-  
firmation of the story could not be  
obtained.

### AS VIEWED BY CONGRESSMAN

INDICTMENTS AGAINST GOVER-  
NOR HASKELL LOOKED UPON  
AS A HOWLING FARCE.

Washington, D. C., June 26.—Col.  
J. Blair Shoenfelt, former Indian  
agent at Muskogee, while in Wassa-  
ington last week, it is said, made an  
affidavit which is now on file at the  
department of interior in which he  
swore that at the time of the sched-  
uling the town lots in Muskogee and  
other towns in the Creek nation, he  
went to J. George Wright, Indian in-  
spector at the time, and informed  
him of the plan of scheduling the  
lots through so-called "dummies," and  
that he, Shoenfelt, refused to take  
the money for such scheduling until  
ordered to do so by Wright.

The question naturally arises how  
could anyone conspire to defraud the  
government or the Creek nation of  
anything of value when the agents of  
the government formulated the plans  
whereby lots were scheduled through  
third parties.

In congressional circles gener-  
ally the indictments against Gov. Has-  
kell and five other Muskogeeans are  
looked upon as a howling farce.

## STONE SCORES DEPARTMENT

IN SPEECH YESTERDAY SAYS  
ATTORNEY GENERAL'S OFFICE  
IS ASLEEP OR BLIND.

### ABOUT HARVESTER TRUST

Missouri Senator Read Outline of  
Testimony Taken in Ouster Suit in  
Missouri—Says Senate Should Take  
Notice of It.

Washington, D. C., June 26.—"The  
department of justice is asleep or  
blind," said Senator Stone of Mis-  
souri in a speech today in the sen-  
ate, referring to the failure of the  
attorney general to prosecute the In-  
ternational Harvester Company for  
violation of the Sherman anti-trust  
law.

The Missouri senator had  
read an outline of the testimony tak-  
en in the ouster suit against the  
Harvester Company in Missouri, and  
declared it to be an illegal combine.  
"The department of justice may  
sit with palsied hands," he said in  
conclusion, "but the United States  
senate, at least, should take notice of  
this criminal corporation."

### WAS ROBBERY THE MOTIVE

LATEST MOTIVE ADVANCED FOR  
KILLING OF MRS. WOODHILL  
WAS THAT OF ROBBERY.

Baltimore, Md., June 26.—Robbery  
as a possible motive for the killing  
of Mrs. Woodhill was advanced here  
today, when it was learned that a  
man answering the description of  
Eastman pawned in this city on  
Tuesday two diamond rings and a  
diamond brooch, valued at \$500.

Eastman was in Baltimore on the  
day the valuables were pawned,  
while the jewelry worn by the mur-  
dered woman, when she was last  
seen has not been accounted for.

### Says Girls Had Fight.

St. Michaels, Md., June 26.—The  
full text of the letter written by  
"Lame Bob" Eastman to his wife,  
Vivie Bradcombe, in which he re-  
lated how Mrs. Woodhill came to her  
death, has added a new interpreta-  
tion to the tragedy.

Eastman in the letter said a party  
of five were "having a time" in his  
bungalow. "Everyone got full except  
Edith and myself. Edith tried to win  
one of the girl's fellows, and was hit  
three times on the side of the head  
with a full bottle of champagne."
